How to use your 1-year free code to upgrade your website

We are happy to offer you a free Wix Premium plan, valid for one year. When you upgrade your site to Premium, you will also receive a custom domain, free for one year. To learn more about the benefits of Wix Premium Plans, click [here](#).

Here's how to use your 1-year free code:

1. Go to Wix.com and **Sign Up** to create a new account or enter your **Email** and **Password** to log in to your existing Wix account.
2. If you have more than one site, hover over the site you want to upgrade and click **Select Site**.
3. Click the purple **Upgrade** button at the bottom left.
4. Identify a Premium Plan that is included in your student/faculty offer and also fits your needs. Keep in mind that when searching for your plan, there are two tabs / categories of plans: "Website" or "Business & eCommerce."
5. Click **Select** under the plan you want to purchase.

1. Select a Plan > 2. Select a Billing Cycle > 3. Complete Your Purchase

Prices do not include applicable taxes, which are determined according to your billing address. The final price can be seen on the purchase page, before payment is completed.

8. After clicking **Select**, you'll be taken to the **Complete your Purchase** screen. On this screen, you will need to do both of the following:

- Enter your payment method (left side)
- Click on the **“Enter promo code** field. (right side) Enter your code and click **Apply** (The total should now be \$0.)

Note: If there is an ongoing sale at Wix, you will need to select **Remove Code** instead of **Enter promo code**. Click **Remove** to opt-out of the sale and then select **Enter promo code**.

By purchasing, you accept the [Terms of Use](#) and acknowledge reading the [Privacy Policy](#). You also agree to auto renewal of your yearly subscription for \$264.00, which can be disabled at any time through your account. Your card details will be saved for future purchases and subscription renewals.

You will automatically receive a Free 1 Year Domain voucher when you Upgrade your site. This voucher enables you to register a domain for free for one year. You can renew the domain the following year for the regular price.

9. On the next screen, select 1-year domain.

10. You will then be asked to select a privacy option:

- **Private Registration:** Your contact details won't appear in the WHOIS domain information records.
- **Note:** The voucher does not cover the cost of Private Registration.
- **Public Registration (RECOMMENDED):** Your phone number and email are replaced with generic information. Those who wish to contact you will be redirected to a contact form that protects you from receiving spam. Your other information remains public. You can only change it to private when manually extending the domain subscription. Read more about it [here](#).
